Limit our pupils to 10 university applications world-wide.

ABOUT US

Harrow International School Hong Kong opened in 2012. It provides a distinctive and high quality education from early years to year 13, with high expectations of academic and Co-curricular achievement.

CURRICULUM

The Upper School curriculum is structured towards the external awards of IGCSE and A-level, the standard used in England and Wales that has also been adopted in other countries. Students who enter the School will be given support throughout the curriculum in order to progress to the AS curriculum. The A-level is fully recognized by Universities worldwide. English is the inclusive language of the classroom, and boarding houses for all pupils.

PASTORAL CARE

At all ages in the School, there is a strong emphasis on the quality of relationships and community life, and the personal formation of character of each of its pupils.

MISSION

The School's mission is to promote the *Leadership for a better world* attributes through an outstanding education that, in an age appropriate way from the Early Years to the Senior School, blends elements of philosophy, practice and tradition from Harrow School with an awareness of the cultural context of Hong Kong and the needs of it's international community.

ACTIVITIES

Over 250 activities based around six key themes: Service, Charity, Teamwork, Creative expression, Leadership and Challenge
