- All above mentioned charges are on per hour basis and the minimum chargeable time is two hours per facility
- The above listed charges are only applicable to events that are held up to a maximum time limit of four hours. Charges for longer events must be agreed separately.
- The charges include utilities, the use of furniture as provided, stage, electrical equipment as installed, one cleaner, one security guard and life guards (in case of the use of the swimming pool). Any additional equipment, cleaners, technicians, life guards and security guards required for an event will be charged separately. Additional cleaners and security guards will be required for any event with more than 50 participants.
- Please note that should the event requires set up and take down, this time must be included with the total booking time.
